About The Circle Café

The Circle Café is an Employability and Training programme for looked after young people and care leavers.

We intend to support and nurture our candidates through the programme to be fully ready to enter the workforce with practical skills and hands on experience.

The Circle joined forces with Barnardo's Works, Dundee City Council and Leisure and Culture Dundee to apply to the Community Lottery Fund for funding to start up this innovative project.

The Circle Café is run by Stephen McClennan, The Café Manager and Caitlin Collins, The Café Supervisor. The Circle Café will provide on-site catering for our room hire services.

Catering can be ordered when you make a booking at bookings@thecircledundee.org.uk

We are also open to the public so anyone visiting The Circle Dundee and our tenants can enjoy some freshly ground coffee and warm food at the café.

For queries please contact cafe@thecircledundee.org.uk
